St Luke's Playground Post

Autumn 1 Week 3

Another busy week at St Luke's! We have had meetings of our School Council and our Earthkeepers groups this week and we are so excited for the work they are going to be doing!

The book fair is on next week in school! This is on Monday-Thursday at hometime until 3.45pm in the small hall. There will be lots of fantastic books to choose from! Every book purchased helps us to raise money for new books in school too.

Macmillan Fundraising day

Next Friday (25th September) we are having a non-uniform day and asking children to wear something green to raise money for Macmillan. We are asking for donations for this fantastic charity and the work they do.

From 2pm, we would love to invite grown ups to a Coffee afternoon in the school hall! Bring a cake, have a coffee and a chat and enjoy a performance from our School choir! See you there!
